Dear Parents and Carers,

Wheeler's Hill Secondary College is looking forward to supporting your child's educational journey in 2024 and would like to advise you of our voluntary financial contributions.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. While these contributions are voluntary, they have a profound impact on our College. **Your ongoing support ensures that we can strive to achieve high-quality educational outcomes, excellent facilities and a stimulating learning environment which engages and nurtures all learners to achieve their goals for the future.** The College makes every effort to keep the cost of items and activities to a minimum and affordable for all families. Your contributions enable upgrades and enhancements to the Library and other key Learning and Wellbeing spaces as well as a raft of other vital infrastructures and learning opportunities.

Our belief is that every young person who enrolls at our school has the right to achieve **Excellence** in their learning and that they understand the rights of others to learn in a safe and inclusive environment. **Respect** is the cornerstone of all our actions. We believe that by nurturing personal wellbeing young people acquire the resilience and perseverance to harness **Creativity** in a proactive and collaborative way for the betterment of themselves and the world around them. We can only make this happen because of our partnership with you and we are deeply grateful for it.
